I avail myself of this opportunity with great pleasure in acknowledging my deepest sense of gratitude to all concerned with and related to this endeavour, particularly Editorial Board Members, Advisory Board Members and Reviewers who tendered their painstaking efforts throughout the period of preparation of this journal.

No doubt, I am personally indebted to the authors who are contributed their valuable contributions to this journal. In the present issue we are publishing eight research articles. I convey my heartiest thanks to all honourable authors.

Utmost care has been taken to prepare the present issue of the journal but it does not tender any assurance of no-mistake.
